Grand Lucayan Bahamas is the closest major Caribbean Resort to the East Coast. Nestled into one of Grand Bahama Island's most spectacular private beaches, Grand Lucayan offers some of the finest amenities in the Caribbean. Guests enjoy spacious accommodations, various restaurants, three swimming pools, four tennis courts – all offering Grand Slam surfaces, a 25,000 square-foot Senses Spa & Fitness Center, 18-hole golf course – The Reef Course, designed by Robert Trent Jones Jr., and 90,000 square feet of indoor and outdoor meeting space and a Las Vegas-style casino.

When you're smack dab in the middle of a Caribbean aquatic wonderland, it's easy to become a bit amphibious here. Guests can go for a lazy afternoon swim (think 80° water temps), kayak through the mangroves of Gold Rock Creek or dive for lost Spanish treasure at Deadman's Reef. Feeling a bit more adventurous? Join the local Underwater Explorer Society and frolic with wild Dolphins at an offshore reef. Need more thrills? Grab your courage and sign up for one of the island's legendary shark-feeding tours. You'll come home with photos and stories to last a lifetime!
